

**REQUEST FOR BIDS #2025-010
RESEARCH VEHICLE PURCHASE
ADDENDUM #1
7/17/2024**

CLARIFICATION

The University is updating the submission deadline to 11:59 PM EST, July 18, 2024.

The University is removing the requirement for Type E tires and the preference for an additional set of Type E snow tires. The University's budget for this purchase cannot exceed \$70,000. While the University prefers a Z71 package, we will also accept submissions for an LS package or other packages that meet the listed requirements and the budget for the purchase. We encourage respondents to submit multiple bids if possible.
