

REQUEST FOR PROPOSALS #2025-039

**ULSHO Supply:
University of Southern Maine**

Addendum #1

This addendum is being issued to provide respondents with answers to questions provided to the Bid Administrator pursuant to the RFP.

1. Will the University be topping off the large tanks?

We don't know at this time if the large tanks will need to be topped off. If they do, it will be from spot deliveries.

2. Is there historical usage available on the backup fuel tanks that are larger in size?

These tanks are used for back-up, and the usage is sporadic. Any deliveries will be from spot deliveries.
