

**REQUEST FOR Proposal #2025-045
Room Modeling and eCommerce
RESPONSE ADDENDUM #1
February 25, 2025**

QUESTIONS

Q1: My company has multiple options for 3D Floor Plans, with pricing variation. Can I talk to someone about what your team is looking for?

A1: If your company has multiple options for a particular feature that is requested in the RFP, you may submit your proposal outlining each of the options and the pricing for those options. To ensure that the RFP process is fair to all potential respondents, members of the core team are not allowed to communicate with respondents.
